■ CoolStudio@aol.com

To arrange any other method of payment, such as certified check or postal money order (or to request placing animals on hold), please send e-mail to CrestedGeckos@aol.com for payment instructions. **North Carolina residents must add 5.75% sales tax.**

3. SHIPPING

All live reptiles are guaranteed to arrive alive and healthy with favorable weather conditions. We will ship overnight on Mondays, Tuesdays, and Wednesdays only—NO EXCEPTIONS. You will be sent a tracking number when your animal(s) are shipped.

We ship living Geckos using UPS or FedEx Overnight Air Service AFTER payment is made in full. We may be able to use another carrier that you provide, but we will not ship reptiles by the U.S. Postal Service.

Most packages are delivered before 12:00 PM (but may arrive as late as 5:00 or 6:00 PM if there are any minor delays). You must contact us within two (2) hours of delivery if there are problems with your order. If we do not hear from you within 24 hours of delivery, we consider the transaction to be completed to your satisfaction.

We can NOT be held responsible for major carrier delays or mitigating circumstances such as acts of nature or god, etc.

4. PLACING GECKOS ON HOLD

We will hold Geckos during periods of adverse weather, for any amount of time needed, at no charge to the customer. However, if you would like to place a Gecko on hold while favorable shipping conditions are available, we require a 25% non-refundable deposit by Postal Money Order or Cashiers Check. We will hold Gecko(s) for up to one month until final payment is due. If you do NOT send final payment the Gecko(s) can be available for sale again. We do NOT return deposits, but you will have credit towards another purchase from us.

5. BUYERS' RESPONSIBILITIES

It is the responsibility of the buyer to contact us by e-mail or phone after placing an order, to determine the most appropriate day for shipping and to provide us with any additional information we may need to expedite your shipping, including phone number. It is also the buyer's responsibility to make sure that someone is present at the shipping address on the day the package is scheduled to arrive.

All guarantees are void if someone is not able to sign for delivery on the first delivery attempt!

6. REPLACEMENT PROCEDURE POLICY

Our main goal is to make each transaction a pleasant experience. If any problems arise, please be assured that we will do our best to help! Once we determine that you have a valid claim, we will work with you to find a suitable replacement. All of our Geckos are one-of-a-kind or rare, therefore we do NOT refund money back under any circumstances.

In the extremely unlikely event that one of our Geckos do arrive in bad shape or DOA, the seller will require proof, in the form of the deceased, injured, or "sick" Gecko being shipped back to our location at the buyer's expense. We may be able to accept digital pictures as a substitute, however the seller will decide this on a case by case basis. Please understand that there are many unscrupulous individuals who will try anything to run a scam on others. This process is an industry standard procedure which is necessary to protect ourselves.

Our reputation is extremely important to us at GeckoLovers.com!

We have built and maintained our good name by providing great Crested Geckos as well as excellent customer service. If there is ever a problem with any of our Geckos, we ask that you keep details of the problem private. The buyer must call the seller at 919-729-1056 within two (2) hours and allow reasonable time (up to two weeks) to review your claim and make a suitable arrangement to replace your Gecko(s).

Posting details of your transaction, problem or claim, on any public forum or website is a direct violation of this policy and will result in the immediate and unconditional void of our guarantee.
